SHELTER IN PLACE ORDER

Six (6) counties in the San Francisco Bay Area have issued a “Shelter in Place” order. Those counties are: Alameda, Contra Costa, Marin, San Mateo, San Francisco and Santa Clara.

For our members, first and foremost you must do what you feel is best to keep you and your family safe. If you feel it is important for you to remain at home then you should do so.

If you are working at a job that shuts down and the contractor has no other job to send you to, then you can file for unemployment at www.edd.ca.gov, you may also want to look at a “Paid Family Leave” Claim. Should you need assistance in filling out the application, please call the hall, 510.785.8483 and we will try to assist you.

If you are on a job that is continuing to work and you feel safe to work then you may do so. If you happen to be questioned as to why you are going to work, you will want to state that you are in an essential industry “Life Safety Fire Protection”

We ask that you please do not get into confrontation with any peace officer or public official. Remember everyone is under a lot of stress during these trying times.

If you have any questions, please feel free to call us at the Hall, 510.785.8483 or on our Cell, Stan – 510.773.9357, Jeff – 510.393.9825, Tony – 510.773.9358, Dan – 415.987.9657, Dylan – 510.305.2593.

Work Safe, Keep the Faith
