Sprinkler Fitters Local 483
2525 Barrington Court
Hayward, CA 94545

To our sisters and brothers of Sprinkler Fitters Local 483,

On behalf of the Crowley family, I wanted to give my heartfelt thanks to the Local 483 Sprinkler Fitters Officers and Staff, the Executive Council and for the many, many members of your local union who attended the funeral services at St. Ignatius for my beloved brother, John P. Crowley, a proud member and Business Agent for Sprinkler Fitters Local 483.

Many of you knew "John O" and we, as a family, wanted to acknowledge the cards and letters of support, the kind words, the many prayers and condolences we have received from all of you. It has meant so much to us in our time of loss and grief. You have helped us provide a fine tribute to my brother John and a lasting impression for his family of how much he meant to the labor community.

Sincerely yours,

F.X. Crowley
