Sprinklerfitters Local 483
23314 Cabot Blvd.
Hayward, CA 94545

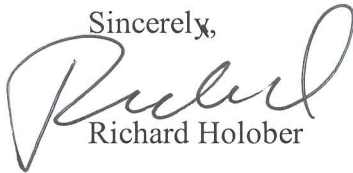

Dear Stan:

Thank you for your union's endorsement and generous donation to my campaign. I greatly value your support.

My campaign is off to a great start. Last week, I announced Senator Barbara Boxer's endorsement of my candidacy. I am confident that my record of leadership on education, health care reform and economic justice will resonate with the voters of the 19th Assembly District.

Please share with your officers and members my gratitude for Local 483's support. I appreciate your help and friendship.

Sincerely,

Richard Holober
